Tunis 2 September 2024,

To Whom It May Concern,

I, the undersigned, Mohamed Touati, Head of Data Science at Pixemantic, hereby certify that Mr. Iyed Mdimegh, a student at the National Institute of Applied Sciences and Technology (INSAT), successfully completed an internship at Pixemantic as part of his academic curriculum in Software Engineering.

From July 1, 2024, to August 31, 2024, Mr. Iyed Mdimegh exhibited exceptional dedication, enthusiasm, and professionalism in all his tasks.

During his internship, Mr. Mdimegh played a key role in the development of a software project focused on 3D container packing. He demonstrated strong analytical skills, innovative problem-solving abilities, and a keen attention to detail, which significantly advanced the project. His work reflected a deep understanding of complex concepts and his ability to apply them effectively.

Mr. Mdimegh's proactive approach, coupled with his ability to collaborate and share knowledge with his peers, made him a valuable member of the team. His contributions were highly appreciated, and he consistently met the challenges presented with confidence and competence.

We wish him continued success in his studies and future professional endeavors.
Tunis, September 3, 2024.
